

Irish Coffee

Ingredients

6 oz Coffee (hot)
2 t Sugar
1 1/3 oz Irish Whiskey
2 T Heavy Cream (lightly whipped)

Instructions

- 1.Preheat a 12-ounce heat-proof glass by filling it with hot water. Once warm, discard the water.
- 2.Add to the glass, then add coffee. Stir until the sugar is dissolved.
- 3.Add whiskey to the coffee and stir gently and briefly to combine.
- 4.Float a layer of whipped cream over the top of the coffee by pouring it gently over the back of a spoon. Serve immediately.
