

# Watermelon Tequila Sunrise

## Ingredients

---

1/2 c Watermelon (cubes)  
3/4 c Ice (cubes)  
1 1/2 oz Tequila  
6 oz Orange Juice

## Instructions

---

1. In the bottom of a tall glass, gently muddle the watermelon. Add the ice in over the top of the muddled watermelon, followed by the tequila and orange juice.
2. Leave as is to keep the two colors and flavors of the watermelon and orange separate, or gently stir to combine if desired. Garnish with lemon slices, orange slices, fresh watermelon or mint leaves if desired. Enjoy!
